State meets

Trophies – After unanimous vote the state committee has decided to go with new team trophies for state meets. We will be ordering the new trophies from A-1 Awards.

Medals – A-1 order to be placed by Pam after the entry deadline

Banners – A-1 order to be placed by Pam after the entry deadline

State leotards – Patrick updated the committee that leotards have been ordered. We will probably be setting the price point for purchase about 4 - 5 dollars higher than the price we are getting them for (around \$54.00 per leotard once shipping is included).

Senior awards – These will be ordered from Village Trophy in Columbus. All optional plaques should be shipped to Pam and all Xcel plaques should be shipped to Dawn.

We need to have a list of 3 or 4 questions about each senior (name, club team, post high school plans). Each site will need someone to read this information while the club coach and athlete stand in front of a state banner for pictures. Our goal is for all athletes to receive the same treatment while being recognized for their accomplishment. Needs to be kept short, but not to the point of extreme. We should also come up with a prepared statement about the road to graduation to be read by a designated coach/official prior to announcing the athletes.

Other topics related to state meets

State apparel – Michelle will coordinate with Pam and Dawn to arrange sizing needs for the athletes who will be competing for our state teams at the various regional meets. Patrick will create and order t-shirts for the coaches and athletes.

Clubs must register for the regional meet at the conclusion of the state meet using the USA Gymnastics meet reservations system

For this to happen every club must have one individual at the meet with the codes and other info needed to allow registration to happen. Clubs must also have a check ready to be turned in at the same time. Only 1 check per club is allowed for each of the different regional meet entries.

This information needs to be sent out ahead of time to all coaches and administrators

State Banquet

Are we having one? If so, where? – NO state banquet this year. Instead we will have a state congress. A date will need to be set for this. I feel like mid July is our best option, but we need to check the elite calendar to try to eliminate conflicts. We need to get suggestions on clinicians. Discussed other possible activities to include (State Tops Testing, Judges Symposium, State outing to a zoo or amusement park).

State Awards - We have to do them. We have choices on how and what.

I.E. Compulsory Coach(es) of the Year, Xcel Coach(es) of the Year, Optional Coach(es) of the year, Club of the Year, Judge of the Year, Meet of the Year
